Maintain a Professional Training Library

Now your *Training and Development Journals* can become an attractive permanent part of your professional library. These volume files are designed to keep your copies orderly, readily accessible for reference and guard against soil, wear and misplacement of copies.

These durable files will support 150 lbs. Each file looks and feels like actual leather and is washable. The gold leaf lettering makes it a fit companion for the most costly binding.

Reasonably priced, too! Only $4.25 each, 3 for $12, 6 for $22. Satisfaction unconditionally guaranteed or your money back.
